2nd Annual Top Gun Challenge Presented by Army June 27th - June 28th

Wilkes Barre, PA – The Top Gun Challenge presented by U.S. Army is an invitation only event that features Pennsylvania's elite high school quarterbacks. The Challenge will be held **June 27th – 28th at Crestwood High School in Mountain Top, PA.** Each Quarterback will be evaluated, instructed, and tested in 7 events that will produce the Top Gun Champion presented by U.S. Army.

Event one, Mental Testing, challenges each quarterback's understanding of the game and assesses his leadership qualities. Event two, Physical Testing, is a mini-combine format that tests over-all athleticism, strength and speed.

Events three through seven, the **On-The-Field-Events**, test the speed, mobility, accuracy and arm strength of each quarterback. These **5 on-the-field-events** will be held **Saturday, June 28th, at 7:00pm at Crestwood High School** in Mountain Top. Friends, family and high school football fans are all cordially invited to attend this portion of the Challenge.

2008 Sonic Top Gun Challenge Contestants include:

Ryan Mickley (Northampton High School), David Sager (South Western High School)
Andrew Shoop (Danville High School), Brad Herrmann (Pennridge High School)
Justin Heinauer (North Hills High School), Dan Miller (Clarion - Limestone High School)
Jeff Cully (Hampton High School), Nathan Daniels (Muhlenberg High School)
Jerrod Reynolds (Littlestown High School), Dan Murphy (Muncy High School)
Tyler Armagost (Moniteau High School), Shane Gensiak (Valley View High School)
Anthony Bumbulsky (Pleasant Valley High School), Nick Raven (North Pocono)
Kyle Koncar (Bishop McDevitt), Ahn Le (Holy Redeemer)
Andrew Erdos (Mercer High School), Michael Roman (North Skunkill High School)
Nicholas Aigeldiner (Crestwood High School)

No matter the outcome, the 2008 Top Gun Challenge presented by U.S. Army promises to be one of the best. For more information on the Top Gun Challenge presented by U.S. Army, please call 479.422.2042 or visit www.topgunqb1.com.
